FUTURES FOR ALL

Youth Council
Team 2027

Get opportunities, Grow your network, Gain new skills.

Read our **Application Guide** and apply to join our Youth Council.

Thank you for your interest in becoming a Youth Council member.

To help you know what to expect, we've put together a short overview and guide for what comes next in the application process.

Futures For All is a charity that helps state-educated young people like you. Every year, **we invite 15 young 15-17-year-olds (from years 10 – 12) to join our Youth Council** to amplify their voice and represent fellow students.

- ☑ You'll join a youth advisory board that helps shape our work through regular consultation – meeting online once a month and supporting us throughout the year. You could be co-creating or sharing insights on programmes, products and resources; feeding back on impact surveys; writing letters to Ministers on youth initiatives and blog articles about your experiences; recording short videos to inform and inspire young people, and so much more.
- ☑ Get involved with opportunities which vary from year to year – which could include attending or speaking at educational events, round table meetings with policy makers, MPs or employers, or campaign launches.
- ☑ Receive training opportunities in press and media, meeting chairperson and secretarial duties, as well as a full induction and chances to advance your personal development.

How to apply: Your 3-step process

01
Submit your application

Complete and submit the online application form in full to tell us a bit more about you, why you'd like to join our Youth Council and confirm your Parent/Carer's contact details.

You must submit your application before midnight on Friday, November 20 2026. Any applications received after this deadline will not be considered.

02
Join a short interview

Once we have reviewed the applications, if we'd like to know more about you, we'll contact you to arrange an online or phone interview

Please don't worry about the prospect of an interview with us. We will keep it as informal as possible, and we will ask you which method of contact you are most comfortable with.

03
Attend a welcome event

If your application is successful, we will be in touch to confirm your appointment as a Youth Council member and invite you to attend an online welcome event.

This event is expected to take place in two online meetings February 15 and 17, where you will receive full training on your role as well as a schedule for all future monthly online meetings.

More reasons to apply

Still need an extra nudge? Here's what some past members have to say...

"I felt listened to, it was great to be part of a group who were sharing and examining exciting ideas, and I gained so much insight into real world policy decisions that effect young people. Plus, I developed many skills!"

Beau, 17, Birmingham

"As a Youth Council member, the possibility of impacting other young people's lives was astonishing. One of my favourite experiences was meeting with the then Minister for Mental Health and Social Care, Rt Hon Gillian Keegan."

Akshaya, 15, London
